

The government now offers 15 or 30 hours per week of funded childcare. This means you can receive up to 6 hours a day of free childcare at our nursery. To check your eligibility, visit childcarechoices.gov.uk.

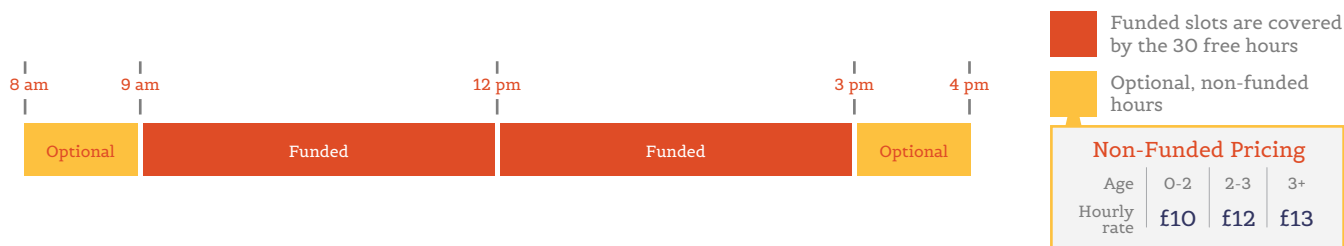

15 Hours

Parents eligible for 15 hours of free childcare are entitled to **one funded session** per day. Each session must fit option A, B, or C and can be distributed throughout the week according to preference. These funded sessions are available for 38 weeks per year.

30 Hours

Parents eligible for 30 hours of free childcare are entitled to **two funded sessions** per day. This funded session is available for 38 weeks per year.

Consumables, security, meals and more

We have a daily charge of £10.75 which covers security, consumables, meals and extracurricular activities. This is not covered by government funding. For those not eligible for funding, the consumables charge is included in their daily rate.
